Year 5 Newsletter

Canggu Community School

Term 1

Greetings from the Year 5 classrooms. We hope you all had an enjoyable holiday, and we welcome you to a wonderful school year.

We would like to especially welcome Abika, Dita, Summer, Tayja, Alanza and Kayla who are starting CCS this term. Year 5D will be taught by Aaron Downey and Year 5S will be taught by Monica Steiner We are pleased to have the opportunity to educate your children. By working together we can ensure that it will be a successful year.

At the beginning of each term, we will provide information about up-and-coming events, as well as the topics covered in class.

Literacy

In Literacy this term, students will be focusing on the genre of personal narratives. They will be writing poetry, recounts and narratives.

Maths

We will begin by reviewing key concepts from Year 4. Students will then learn new strategies to improve basic numeracy facts while also studying a variety of topics, including place value, multiplication and division.

Unit of Inquiry

The big idea of our unit this term is, Our Identity is shown in our behaviour and the way we interact with others. We will inquire into the following key questions throughout the unit:

- How do I influence the way people perceive me?
- How do different interactions influence emotions?
- How can people use their identity to create change?

Bahasa Indonesia

Students will be inquiring into 'People's Jobs and Their Influences on Our Lives.'

Music

In Term 1, students will review basic note values and instrument technique. They will begin to identify the notes of the treble clef staff and different dynamic levels of volume. Students will connect to their unit of inquiry through a project that allows them to express and share their personal musical taste as a part of their identity.

Kind regards,
Mr. Downey, Ms. Monica, Ms. Kristin and Ms. Karen

Homework:

This term, we will be using a 1 week homework grid. The grid is set out in a simple format which is clear for both the student and parent to follow. Please ensure that your child is working on the tasks for the grid and that all is completed by Friday. The grid is a great opportunity for the students to work on time management and continue to work on being responsible with school tasks at home. If you have any questions about the homework tasks or grid, please do not hesitate to contact us through the Remind app or email. The first grid will go home in Week 3.
